Subject: recommendation

To whom it may concern:

I would like to recommend Alisha Spraker as a candidate for a position with your organization. In her position as customer service representative, Alisha was employed in our office from 2007 - 2009. During her tenure with Coffee Bean International, Alisha was responsible for account management. Alisha did a great job in this position and was an asset to our organization during her tenure with the office. She has great written and verbal communication skills, is extremely organized, can work independently and is able to follow through to ensure that the job gets done.

Alisha was always willing to offer her assistance, and had an excellent rapport with the many constituents served by our office including clients, employers, and other professional organizations. She would be an asset to any employer and I recommend her for any endeavor she chooses to pursue.

Sincerely,

Heidi Leslie
